

4th October 2018

Dear Parents / Guardians

HARVEST CELEBRATION

We will be celebrating Harvest during our school assembly on Friday 12th October and will be looking at what the Salvation Army do with the Harvest donations.

The event will be part of our normal school assembly and not an additional function to which parents are invited.

We will be grateful for any items of produce you feel able to donate. All donations will be passed on to The Salvation Army to be distributed to help feed local people in need. Please can we ask that no fresh produce is sent in, only **in date** tinned and/or packet food which can be brought into school on Wednesday 10th & Thursday 11th October.

Thank you for your continued support,

The School Council
