

12<sup>th</sup> March 2019

Dear Parents/Guardians,

We would like to invite you into school to join us for another 'stay and play' session. The focus for this session will be Maths and we will share lots of activities that you can do at home. It will begin at 2pm and you will have the opportunity to play with your child/ren in the unit for the first half of this session. You will also have the chance to look at the children's books and ask the teacher any questions. The second half of the session will be joining in with a maths session with your child.

Again, for health and safety reasons we cannot accommodate younger siblings or pushchairs.

Please arrive at the FS2 door promptly. When the session has finished, we will ask you to wait in the playground whilst we dismiss your children as usual.

Maths Stay and Play Dates:

Mrs Dickinson- Wednesday 10<sup>th</sup> April 2pm-3pm
