

10th May 2019

Dear Parents / Guardians

PUBERTY EDUCATION TALKS

The Year 5 children are due to participate in their puberty lessons on Monday 10th June 2019. Girls from year 5 will also have menstruation lessons on the same day. These lessons will be supported by Independent Health Practitioner, Jackie Benson.

We would like to invite parents of **Year 5** children to a meeting on **Monday 3rd June at 5pm** which will give you the opportunity to watch the DVD that will be shown to the children, take a look at the resources that will be used and ask any questions about the content of the lessons, (please note the meeting is for adults only).

I would be grateful if you could complete the slip below to confirm your attendance. If you wish to raise a question anonymously, please write it down and place it in a sealed envelope marked with "Puberty Education Meeting" and return it to the school office. All questions will be answered during the meeting.

We look forward to seeing you on 3rd June.

Yours sincerely,

Gill Johnson
Head of Business & Operations
